

2020 – 2nd Semester Information of application for Dormitory

The dormitory for the second semester of 2020 will accept applicants regardless of the class operation method (on/offline).
Depending on the number of applicants, only some dormitories may be opened (first for the second and third dormitories).
Therefore, the dormitory and room type that you have applied for is subject to change, so only those who agree with it should apply. (See Guides for dormitory fees)

1. Object of entering : Being limited to enrolled students

- ※ Completed students, enrolled students for research, Students who exceeded regular semester are not allowed to enter(However, Ph.D. graduates can apply for dormitories until the 6th semester)
